### Classroom Sweaters

No hooded sweatshirts, except MCA sweatshirts

Crewneck sweatshirts are okay, if they are:

- Solid color, no patterns
- No large logos or pictures on front or back

Solid colored cardigans & quarter-zip styles are okay

|                                                                                    |                                                                                     |                                                                                     |                                                                                      |                                                                                       |                                                                                       |                                                                                       |                                                                                       |                                                                                       |
